

# Recipe Frog Oreo Cookies

## Ingredients:

- 12 Oreo cookies
- 24 Mini pretzel twists
- 1 bag of green candy melts
- 1 red fruit by the foot
- 24 big candy eyeballs

## Directions:

1. Line a cookie sheet with parchment paper.
2. Unroll the fruit by the foot and cut 12 tongues.
3. Melt the candy melts per the package instructions.
4. Dip the pretzels into the chocolate using a fork and tap it on the side of the bowl to allow excess chocolate to drip off, then lay on the parchment paper with 2 sides touching.
5. Dip the Oreos in the chocolate with a fork and place 1 on each set of pretzels.
6. Place a tongue on each Oreo.
7. Let the chocolate dry a couple of minutes and then stick the eyeballs on. They should be standing on their own. If not, let the chocolate harden up a bit more.
