

Loaded Star Box and Tag Flip Templates

Cricut Design Space File: <https://design.cricut.com/landing/project-detail/6091c60f06e7d70d88c79017>

Base:

1. Cut 1 piece of cardstock 10" x 10.5", Score on the 10" side @ 2.5" and 7.5", Score on the 10.5" side @ 4" and 6.5"
2. Cut the score lines on the short sides up to the intersection.
3. Use a bone folder and fold in all the scored lines.
4. Glue the side tabs to the middle tab on both ends of the box, then cover all sides with decorative paper:

Patterned paper needed:

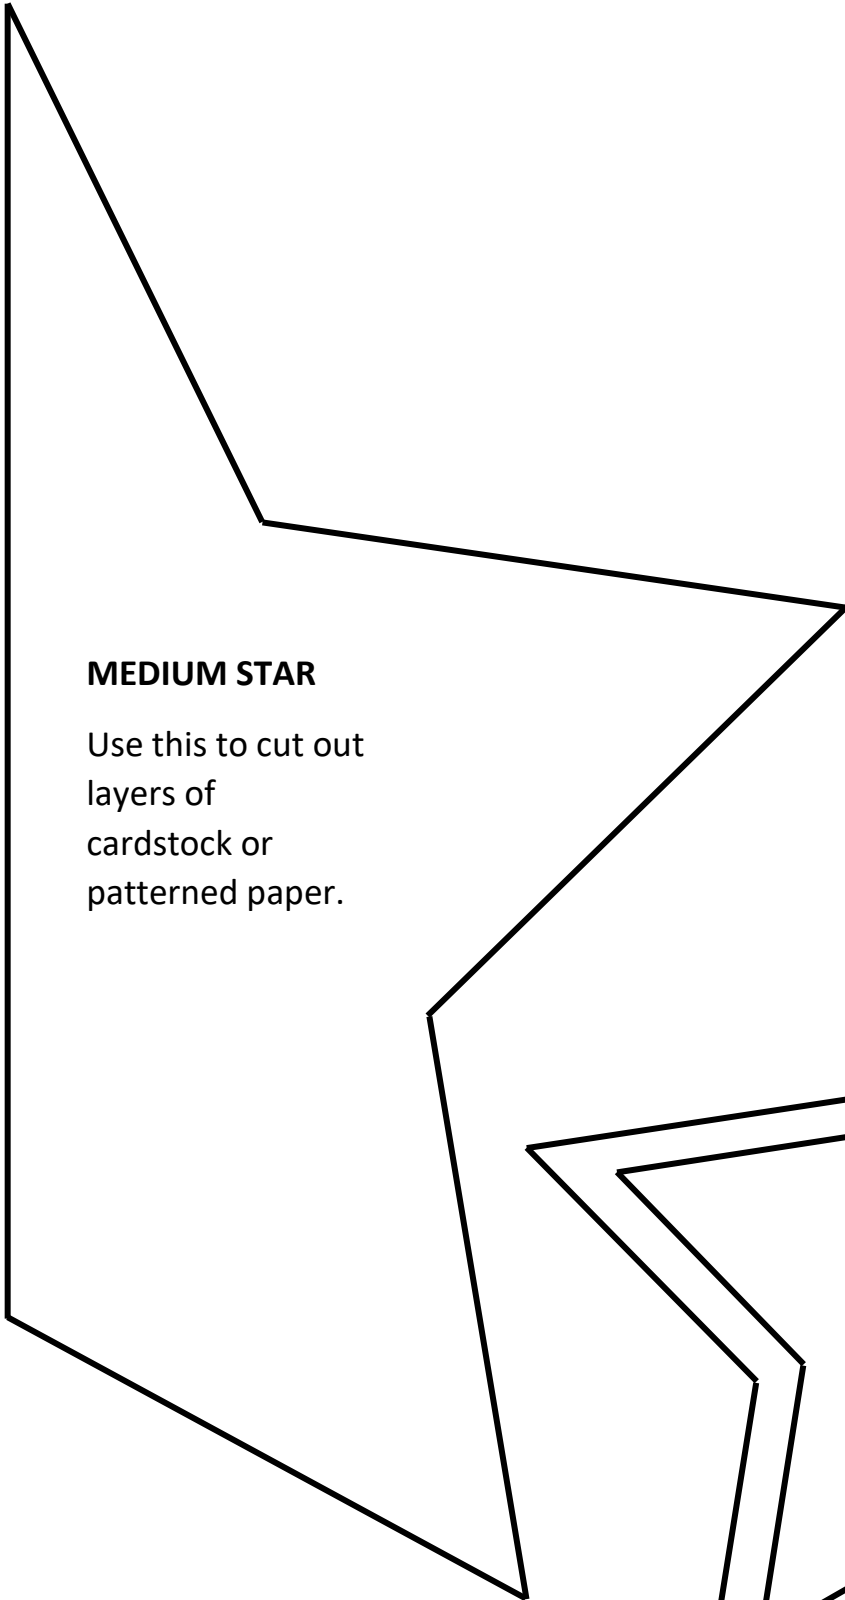

- a. 2 @ 4.75" x 3.75"
- b. 4 @ 2.25" x 3.75"
- c. 2 @ 4.75" x 2.25"

5. Cut 4 large stars from cardstock or patterned paper and 2 large stars from chipboard.
6. Glue a large star on both sides of each piece of chipboard to make sturdy stars. Add additional smaller stars to each side as desired. *3 sizes of stars are in the Cricut design space project or you can use the templates below.
7. Glue one of the completed stars to each side of your base box so that the box is in the center of the stars (the star sides should cover the box).
8. Decorate with embellishments, additional paper, die cuts, ribbons, trims, etc.
8. Fill the box with your loaded binder ring tag flip book.
